Adam Hattersley

- Adam is a Navy veteran and author focused on improving the lives of those in his community through public service. He believes the only way forward in this country is to put politics aside and send people to Tallahassee who will work for their communities instead of themselves, their political parties or their big donors.
- In 2018, after more than a decade as a registered independent, Adam sought and won a seat in the Florida Legislature as a Democrat. Focusing on the issues that matter to people across our communities, Adam served in the Florida House of Representatives where he was committed to lowering health care costs, honoring the service that veterans have made to our country and protecting public education.
