

Florida Democratic Senior Caucus

Our mission is to involve seniors throughout Florida in the political process, to provide a vehicle for their active participation in the FDP, and to promote programs and legislation that protect and enhance the lives of seniors.

The Florida Democratic Senior Caucus was founded in 2013 with the goal of increasing senior participation and influence in the FDP and the legislature by:

- * Encouraging senior participation in the political process
- * Bringing focus and accountability to senior issues
- * Speaking up and securing support for issues
- * We are the voice of Democratic seniors in the FDP and in the public assemblies and legislative halls

Caucus Chapters presently certified in:

Miami Dade, Broward, Palm Beach County, Duval, Pinellas, & Sarasota.

Conditional Certification: Polk & Pasco

Florida Seniors are more than 30% of the voting electorate

Floridians will be severely affected by Sen. Rick Scott's 11 Point Plan to sunset Social Security & Medicare within 5 years

Floridians are financially affected by higher housing and insurance costs

Floridians are not being represented by our Republican legislators to reduce our medical and prescription costs

MOST elected officials rely on the senior voting block to get elected. We must hold them accountable
